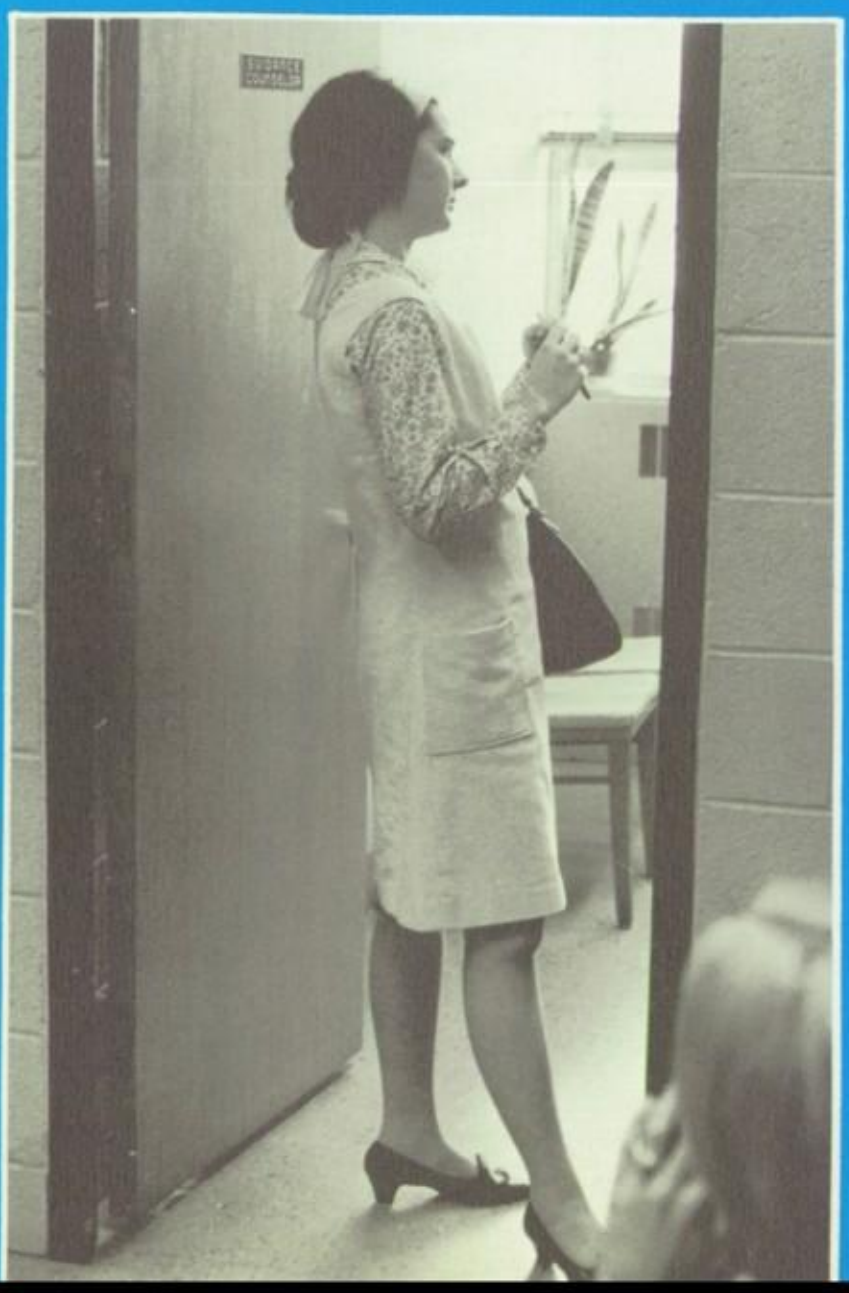
Appreciation

DEDICATION

Down through the ages, one of man's most valuable possessions has been his time. In this day and age when time is of the utmost importance, it takes a very generous person to give his precious time and energy to help others.

Miss Elizabeth Quigley has done just this. Her vitality and vibrant personality sets her above the rest. She, with her perpetual devotion and sense of humor, has helped to make our years at Sun Valley bright and memorable.

In grateful appreciation we dedicate this yearbook to Miss Elizabeth D. Quigley, one who has given of herself for the betterment of the Class of 1968.



William G. Moser, Superintendent

Kenneth L. Michael,
Assistant Principal

Message to Seniors

We at Sun Valley hope that you have received more than an academic background. We do not know what you are destined to be, but one thing is certain; the only ones who will be happy are those of you who have sought and found how to serve.

My special wish for each of you is that whatever vocation or profession you choose you will continue to develop your whole being, not just your mind, your hands, or your eyes. Our world needs specialists, but not specialists limited to one area. It needs people proficient in one field, but conversant in others. Continue to look for ways of improving yourselves. For if you do, I am certain that each of you in your own way will be successful.

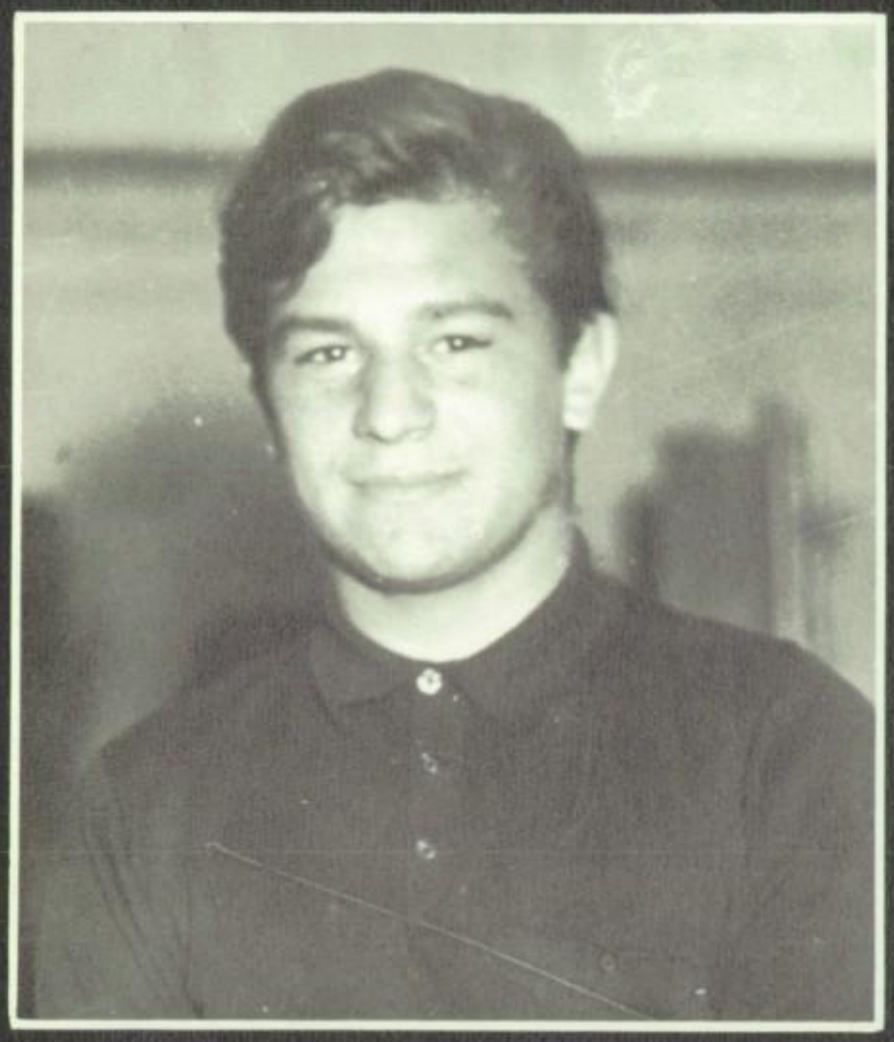
In Memoriam



In loving memory
of Wayne Ennamorato
who passed away November 11, 1966

In loving memory
of John Mann
who passed away January 14, 1968

You are not forgotten though on earth you are no more,
Still in memory you are with us,
As you always were before.
You bid no one last farewell,
You said goodbye to none,
Your loving heart ceased to beat,
Your stay on earth is done
The flowers we placed upon your grave
May wither and decay,
Our love for you who sleeps beneath,
Will never fade away.

From one who has
given his services
for three years

To my fellow classmates:

Since the early days of our sophomore year in high school, we have been constantly reminded of our entrance into the adult world. Words and phrases such as "responsibility," "higher education," "military service," and "marriage" have been drilled into us until they have seemingly lost their true meanings. We have been too busy enjoying our high school years to think about our future life with much concentration and perspective. And this is only natural.

Now our dream world has little time before it fades into unfamiliar faces and unclear memories. The final day looms startlingly ahead. We sit somberly in our last class and realize that we will never joke with that teacher again or shiver in the morning as we wait for a school bus or feel the band vibrating the school as we enter a pep rally. Things that have become part of our lives . . . never again will we be a part of them. They are lost to us now. And to the people who denounce Sun Valley and the three years spent as a class member, I say — realize that those three years were the most carefree, wonderful years of your lives, and that you must cherish them for they are gone. The Class of 1968 of Sun Valley High School is nearing its end, and in the years to come it will become a faded memory, recalled only in the pages of this yearbook and in the wilted petals of corsages held dear. May God bless you as you go your separate ways.

Sincerely,

Geoffrey Gordon Gibson

A Time To Rejoice

Each December, Council sponsors a Christmas Ball. The "Mistletoe Ball" of this year marked the eighth year that this annual dance has taken place. The excitement, happiness and warmth that comes each Yuletide season was intensified for one evening as we danced to the music of the "Good Tymes."

The queen, Betty Moyer, and her court: Marilyn Moulder, Debbie Hallman, Linda Ure, and Sabina Walters, along with their escorts, made an especially beautiful backdrop for the colorful events of that night.

The annual Latin Club Christmas Convivium was held, appropriately enough, during the week before Christmas. The Festivities included refreshments, the crowning of Mrs. Irons as Mother of the Month and a skit starring Nancy Detwiler as Daphne, Tony Manni as Apollo and Nelson Campbell as Cupid. A good time was had by all, including several returning alumnae.

SOCCER

This past soccer season was the best ever for a Sun Valley team. They finished league play with a 6-3 record; good enough for third place. The highlight of the season came as they defeated Ridley 1-0, ending Ridley's 14 game winning streak. Aside from having a tremendous season, our team placed four players on the All-Suburban squad. The four players were: Dave Soroka, Dennis Gauthier, Kirk Johnson and Mike Bonatucci.

Cross Country

Although this year's Cross Country team record of one win and six losses was not the best Sun Valley has ever had, the enthusiasm and sportsmanship of the boys who ran was. Running takes a great deal of training and stamina; it also takes courage and the ability to accept defeat when it comes. Our boys possessed all of these fine qualities.

This year our Basketball team soared to new heights with fantastic ability and a terrific will to win. The first couple of games were discouraging, but out Vanguards came through later in the season to give us many tense, exciting games. If we lost a game, we never lost hope. It is easy to cheer if a team wishes to win.

WRESTLING

Wrestling is fast becoming one of the most popular sports at Sun Valley. The physical stamina required for wrestling is difficult for anyone but a wrestler to understand. They undergo a lot of hard work at their daily practices and strive hard to maintain weight control. The boys on the wrestling team deserve a lot of credit for the fine job they did this year.

The Student Council is the governing body for students at Sun Valley. Student Council officers are chosen in a general election at the end of each school year. Representatives and alternates are elected from each homeroom to represent the students at the council meetings.

The purpose of Student Council is to act as a student governing body, as well as to sponsor student activities during the year. Projects are held within the school, within the community, and on an inter-school basis.

The students on council are of the highest calibre and must maintain high levels of character and scholarship.

NATIONAL HONOR SOCIETY

The stated purpose of the Honor Society is to promote interest in and appreciation for high scholastic achievement. Its members are those students whose cumulative scholastic average is 3.0 or better. Members this year were given a special pass, signed by Mr. Narcum, which entitled them to study-hall exemption and special library privileges.

FUTURE NURSES CLUB

Many girls are vitally interested in becoming nurses. For these girls the F.N.C. is ideal. It investigates different aspects of nursing and careers that are open in the general field of medicine. These girls help out in the nurse's office and get first hand experience in volunteer jobs at local hospitals that they serve throughout the school year.

Le Cercle du Francais is a club that gives interested French students a chance to become better acquainted with the language. They study that it is easier to learn a language when you can better understand the customs and heritage of the people who speak it.

LIBRARY CLUB

Pride in the library, a love for a good book, lots of energy, enthusiasm and hard work make up a good library club. We feel that this year has been one of our best and hope there will be many more to come.

The club has enjoyed field trips and other social events. Their biggest happening this year was the first annual Christmas tea for the faculty of Sun Valley.

INTERACT

Interact is an all male club sponsored by Rotary International and the Rotary Club of Aston-Brookhaven-Parkside. Interact is self sufficient in obtaining funds, membership and carrying out projects. The responsibility of Rotary is merely an advisory council. The club is open only to qualified students in the last four years of high school. Interact is basically a service organization and is responsible for one major community project and one major international project each year. The purpose of the club is to promote international understanding among high school students throughout the fifty-two countries now represented by Interact.

REFLECTOR

Many organizations claimed the "new look" in September and the Reflector was no exception. The editors met in the summer and completely rearranged the publication's style book, and they also provided the student body with the year's first edition during the first week of school.

The Reflector, sponsored by Miss Elizabeth Quigley, is published monthly from September to June, except during midterm examinations. The purpose, above all, is to report the news clearly and accurately.

With the close of this Yearbook we have reached the conclusion of another, and for the Seniors, the final high school year. Friendships have been established, decisions have been made, and by observing life about us we have drawn conclusions that will affect our future lives.

Now is the time . . .

. . . to begin life anew, encounter fresh experiences, become acquainted with new people. Memories of high school days will fade into the past. But a day will arrive when, accidentally, we come across this Yearbook on a crowded shelf, in a dust covered trunk. And as we thumb through the pages, reminiscing upon times past we will slowly stop and think — was it really that long ago?

And now . . . a time for acknowledgement. The Spectrum thanks all of these people, without whose assistance this yearbook would not have been possible.

First, Miss Marguerite Dougherty (our Aunt Peg), for assuming the dual task of business and production adviser. This necessitated great sacrifice of time and energy — a portion of herself which she donated to our class.

Zamsky Studios, for their professional assistance in meeting photographic deadlines.

Mr. McGovern, for his patience with our numerous errors.

Mr. Narcum, for his invaluable cooperation.

The faculty, for their unceasing understanding.

Jean Lord, for her talents as a saleswoman.

Mrs. Balchiunas, for sharing her office.

To everyone mentioned, and those whom space prohibited including, thank you again.
